## SERIES

### PACKAGED SETS OF HIGH QUALITY AUDIX DRUM AND PERCUSSION MICROPHONES

Audix, with the introduction of serious microphone packages for professional artists and engineers, has revolutionized drum and percussion miking by designing specific mics for specific instruments. Now, with the introduction the Fusion series, everyone can afford Audix quality.

Built to withstand the rigors of live stage applications, the Fusion series mics can also be successfully used in a studio recording environment.

If you want to effectively capture the sound of any drum or percussion instrument. Get Fusion.

## SERIES

### AFFORDABLE QUALITY FROM AUDIX

Now everyone can afford Audix quality and capture the sound of any drum or percussion instrument. Here are pre-packaged microphones which are tough, durable, and offer the type of sonic performance associated with microphones costing much more.

The two packages are available complete with foam padded road case, and all Fusion mics come with integral mic clips.

All mics will be available individually and carry a 1 year warranty.

#### Optional Fusion Accessories

- 1) D-vice: drum clip with a nylon rim mount
- 2) D-flex: flexible dual pivot rim mount clip
- 3) Space-saver mic cable (25') with right angle connector
- 4) Tripod: compact drum stand for F-12

	F-10	F-12	F-14	F-15
<b>Application</b>	Snare, Toms Bongos, Quinto, Hi-hat, Shekere, Congas, Timbales	Kick Drum, Floor Tom, Djembe	Kick Drum	Cymbals, Overheads, Hi-hat, Goodie Table
